Who We Are

Authorized supplier and distributor of **CROMO™** Aluminum Systems in Mariotia, Giza, Egypt.

Through this division, we deliver certified aluminum profiles and accessories supported by reliable logistics, technical expertise, and a commitment to serving the evolving needs of the construction and architectural sectors.

T.P. INDUSTRIES

**Help businesses
succeed by providing
them with innovative
and effective solutions.**

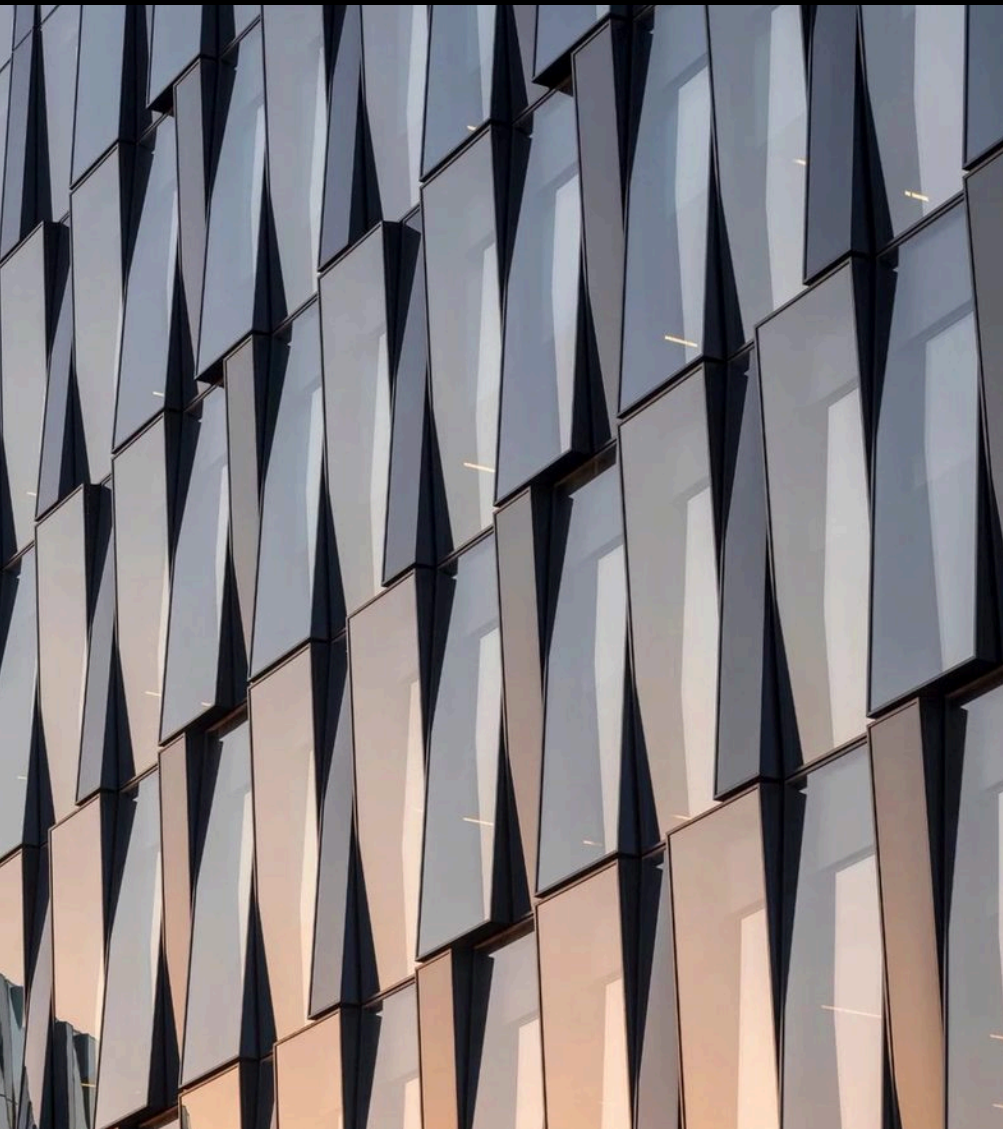

Our Vision

Reshaping the aluminum industry. Recognizing the lack of reliable and cost-effective aluminum options.

T.P. INDUSTRIES

**We want to make a
positive impact on the
world of business.**

Our Mission

With forged partnerships we ensure a consistent supply of aluminum that meets the highest standards without compromising affordability.
